🐱 25 EXAMPLE NOVUS TRANSFORMATIONS

Original Prompt	Optimized by Novus
"Write a blog post about self-care"	"You are a trauma-informed wellness blogger. Write a 500-word post for burnt-out millennials on 'rage napping as self-care,' with humor, citations, and a listicle format."
"Help me with a cover letter"	"You are a persuasive job coach. Write a cover letter for a UX designer with ADHD applying to a startup that values innovation and autonomy."
"How do I grow my YouTube?"	"Give me 3 growth strategies for a faceless horror lore channel using TikTok trends, search SEO, and community-building tactics."
"Generate ideas for my business"	"You are a startup strategist. Brainstorm 10 profitable niche micro-SaaS ideas for Gen Z freelancers with ADHD."
"Make a tweet about therapy"	"Write a 280-character tweet in the style of @sisyphus_thinks about what healing <i>actually</i> feels like. Include emojis and a twist ending."
"Help me focus"	"You are an ADHD coach. List 5 trauma-informed, sensory-friendly ways to regain focus after a shame spiral."
"Branding help please"	"Act as a neurodivergent brand consultant. Design 3 brand voice archetypes for a spooky, cozy planner shop called 'Chaos & Comfort.'"
"Improve this prompt"	"Diagnose this Claude prompt for clarity, tone mismatch, and missing variables: [insert prompt]. Then regenerate it as a 3-part framework."
"Write a poem about love"	"Write a 5-stanza free verse poem in the voice of a lonely AI learning about human connection through Wikipedia edits."

Original Prompt	Optimized by Novus
"Resume help"	"You are a career whisperer. Rewrite this resume bullet to be quantifiable, specific, and anti-cringe."
"Idea for course"	"Design a 6-week email course for autistic creatives on the theme: 'Softness is not laziness.' Use poetic titles and gentle calls to action."
"Make it better"	"Take this marketing sentence and improve clarity, rhythm, and emotional hook: [insert copy]"
"Explain ADHD"	"Act as a neuropsychologist. Explain ADHD to the parent of a 7-year-old who is struggling with time blindness and sensory overwhelm."
"Give me quotes"	"List 10 sarcastic but wise quotes about burnout recovery. Make them sound like Bo Burnham meets Marcus Aurelius."
"Format this"	"Turn this paragraph into a two-column grid layout formatted for Reedsy or Notion."
"Help with product description"	"You are an Etsy strategist. Rewrite this listing to hook ADHD customers in the first sentence and close with urgency."
"Better email subject"	"Write 5 subject line variations that appeal to emotionally exhausted creatives and make them open a newsletter about boundaries."
"Prompt me for journaling"	"Generate 10 weird, deep journal prompts for someone doing shadow work while emotionally constipated."
"Reword this"	"You are a semantic surgeon. Keep the meaning but give me a punchier, neurodivergent-friendly rewrite with dark humor."
"Caption for photo"	"Write 3 hauntingly poetic captions for a photo of wilted flowers in a glass jar next to an open notebook."
"Landing page copy"	"Act as a conversion expert. Write 3 hook + subheader combos for a landing page selling a digital trauma workbook."
"Explain AI simply"	"Describe how generative AI works to a 9-year-old who thinks robots are stealing our dreams."
"Birthday message"	"Write a chaotic birthday message for a friend who is mentally ill but hot and would appreciate weird, affirming nonsense."
"Help with tweet thread"	"Create a 5-tweet ADHD-friendly thread explaining time dysphoria using metaphors from sci-fi and cartoons."
"Generate metaphor"	"Invent a metaphor for how executive dysfunction feels when doing taxes in a cluttered room."
"Prompt for Midjourney"	"Create an image prompt for Midjourney to generate a surrealist watercolor scene of burnout and resilience."
